

Serving the Lord in Santiago, Chile

News from Bo and Barb Brink

August 6, 2020

Dear Family and Friends,

We hope and pray that you are well as we all continue dealing with the pandemic and unrest in our country. We are thankful that we and our family members have been healthy and safe.

The Corona-frustration of not being able to plan ahead seems to affect everyone. That's why we are writing to you. We just had a zoom meeting with church planters Rev. Jim and Liisa Tino who are serving in Santiago, Chile. For a number of reasons related to the pandemic, Pastor Jim suggested that we postpone our mission service in Chile until 2021. We are looking at the possibility of being there for three months, March through May. This is, of course, a disappointment to the Tinos and us, but we trust that the Lord is in control and that His timing is always perfect.

We are thankful to all of you who have responded to our invitation to partner with us in this mission. We are overwhelmed by your prayer support and financial generosity. We have already received more than \$6,000 of our needed \$9,500, and for that we praise the Lord.

As we await further direction, here are some ways you can be praying for us and the mission in Santiago.

- That the pandemic would subside sufficiently for us to be able to travel to Chile in the spring of 2021
- That the Lord would bless Rev. Jim and Liisa as they face many challenges in their ministry
- That the Lord would continue to prepare Bo and Barb for effective service in Santiago
- That the rest of our financial needs would be met before we leave next spring
- Thank the Lord for helping us reach the decision to postpone the trip and for the generous support we are receiving

If you haven't done so already, please let us know if you would like to continue to receive these newsletters so you can be praying for us. Also, if you would like to support us financially, please see the information below.

We are being sent through Global Lutheran Outreach (GLO), so donations can be given in the following ways:
