We Are All the Church

God's mission is such that it goes beyond the church. It embraces everything that God is doing in the world through his people and nations to establish His Kingdom here on earth ~ within the church and beyond the church. We are the church and we have a role to continue in His mission.

To God the church is not a building. It is His people glorifying Him in actions and words thru the power of the Holy Spirit in their lives.

Celebrate each day with our Lord in that we receive His continued ministry for us in the power of the Holy Spirit as stated in Matthew 28:18-20 "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you."

Are we redeeming the time until Jesus returns, fulfilling the ministries he had given to the church? All Christians are called to participate in and have an immense privilege to do so. We are the church and we have a role to continue in His mission. We have been placed where we are for a purpose.

Please join us as we also celebrate the continued ministry here, there or even half way around the world in Cambodia where the church is young and vibrant. That church yearns for the world to know them, to help them grow and spread the gospel around them. The fields are ripe for ministry there.

Please pray how you may be involved in this ministry, God's work, to the children and adults of the villages and provinces of Cambodia and their churches. Thank you ~

Investment in the Future

Just yesterday (Wednesday) we were able to spend some quality time with the students at Immanuel Lutheran School during their weekly chapel. We shared one of the community projects that included a

skit on 'how to make clean water' using a 5 gallon bucket and a clay pot. If time had permitted us, we could have answered many more questions. It was quite obvious to us that they wanted to know about more about this valuable item and maybe for some, how others get their drinking water.

(George is trying to make a water filter for all of us.)

(This is a 'real' water filter.)

Knee Thoughts

Praise for our Jesus and His love and salvation for each of us. Amen!

Prayers for travel mercies for ELCC President Chimm Vannarith who is in the US at this time.

Prayers and praise for all children and grandchildren everywhere and the world that is both a blessing and a challenge.

Praise for the opportunity to serve, all of us, wherever God places us.

*****Did you get our prayer card in your mailbox? If not, and you would like one, please let us know and we can get one out to you. We appreciate our mighty prayer warriors along this journey working together with us to glorify Him.*****

As we are now into the fall timeline and return to a calendar schedule, please let us know when we can come and share God's ministry in Cambodia with your church or small group or just yourselves. We will be returning to Cambodia in the near future in God's perfect timeline. Currently we finalizing a budget with our Cambodian partners to formulate a plan that will work for us in the field for the work that ELCC would like us to continue. They too invest in us and are a part of this budgetary process.

Partnership in the Gospel
