The Cambodian Ministry Newsletter
of George and Shary Frahm
October- November 2018
Volume 8 Edition 8/9

This photo was on the first page of our last newsletter. Even though this ministry is half a world away for most of you, it remains very close in all of our hearts as we are unified through our relationship with our Father.

As this is posted, It is 29 days till we leave this ground to venture across the pond to the ground there. This is where we will soon be standing and worshipping our Father with grateful humble hearts because it is Him alone who has allowed and promoted this to come to this time and place.

So if you are wondering how the days before departure go, let's just say that there are so many things to do that it at times can seem overwhelming. Oft times it seems that prayer can be pushed down on the 'to do' list but we have both learned time and time again that putting prayer below getting tickets, insurance, medical clearance, closing up the

house, and packing those bags without God's blessing and help is clearly not the way to begin a trip of His ministry. He loves to be in the center of it all, really!

So, as we work toward that November 5th date, if you'd like to include us in your prayer time as well, we'd like to offer up some 'topic' items' that could be included. Thank you!

1. Prayer for grace when things go wrong. Something always will go wrong no matter how diligently we try to keep it all smooth going. His grace is sufficient ~ remember 2 Corinthians 12:9-10

"My grace is sufficient for you, for my power is made perfect in weakness." Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me. That is why, for Christ's sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong."

2. Prayer for health, safety in travel, and financial provision. God already knows what we need ~ but He loves it when we take the time to talk to Him about those needs. Some days that can be multiple joyous times to take a moment or so to do.

3. Continued prayer for the church in Cambodia in their steadfast journey of faith to those who have not heard or accepted Jesus and for those who have to continue their

journey of faith as well.

4. Prayer for the Holy Spirit to guide us in our journey chapter during these next months. Some times things don't go as easy as we may want them to do. We get tired and weary in spite of 'our' efforts. He's got us covered no matter what. We need to remember that.

5. Pray for more workers in this ministry. It goes without saying that 'more hands make lighter work.' Amen!

6. Pray for faith that God will continue to grow the seeds that are planted. Some days we don't get to see the results that we would like to see.

We are all a part of the team devoted to the advance of the Gospel. There is NOTHING in the world that can stop the spread of this perfect good news. We all get to be a part of the team though. How perfect is that!
