

## Dear Friends and Supporters of this ministry ~ Fall, 2014

God's eternal mission is such that it goes beyond the church. It embraces everything that God is doing in the world through his people and nations to establish His Kingdom here on earth ~ within the church and beyond the church. **We are all the church and we have a role to continue in His mission.**

Remembering this mission of Cambodia, it started under a tree where a mother and her two children lived. They had no other place to live. While we did not personally meet this mother and her children at that time and place, through that chance encounter we heard about it and our hearts were called and our eyes opened to the needs in the communities in the remoteness of the country. **The local churches are desperately trying to embrace both the daily needs of the community here on earth, as well as grow the church body into eternity.**

**We will establish sustainability platforms of community development to further growth in the local churches and communities with cow and rice banks, solid Christian elementary schools, health education, sewing projects, and English teaching.** Obviously we would not be doing all the work, but would equip and encourage locals to do much of this themselves, looking for strategic individuals to work with us. This actually could also be involving short term teams on the ground.

**The local church has stepped forward in faith, committing to cover our housing and utilities onsite just so we can come and serve along side and eternally invest in the lives of these people.** They have invested in us already, along with other fellow Christians around the world who have heard about this and wanted to eternally invest in the lives of these people.

**We are anticipating the growth of our faith as we trust God to supply our financial need of \$4500 a month.** If you would like to help in support for this ministry, Global Lutheran Outreach will handle our support funds. Any and all partnerships are very much appreciated. GLO has even set up ongoing monthly partnerships now for our ongoing needs. All gifts are tax-deductible.

**Please join us as we also celebrate the continued ministry in Cambodia.** The church is young, but vibrant. The church yearns for the world to know them, to help them grow and spread the gospel around them. The fields are ripe for ministry there.

**Please pray for us to serve effectively and to prepare for the challenges ahead of us.** Also pray that we will have God's strength and that our lives will show the personal relationship we have with Christ.

**Please pray how you may be involved in this ministry, God's work, to the children and adults of the villages and provinces of Cambodia and their churches.**

In closing, we would like to share a verse with you that communicates what God is doing in our lives and how this ministry is impacting our lives as well.

**Let none hear you idle saying  
"There is nothing I can do."  
While the multitudes are dying  
And the Master calls for you  
Take the task He gives you gladly  
Let His work your pleasure be  
Answer quickly when He calls you.  
"Here am I, Send me!  
Send me!**
