Birthdays:

Anniversary: August 18

More than anything, Dale & Cheryl want people everywhere to know the fullness of life in Jesus Christ, the only name under heaven by whom we all are saved. They began serving with Global Lutheran Outreach in 2012. Dale serves as International Missionary Developer helping cultivate the network of mission-minded churches and missionaries - *from everywhere to everywhere*. Cheryl is an elementary school teacher. They have five children who live in just as many places from California to Vietnam.

The vision of GLO fits perfectly with how God has been shaping the Talsmas as He opens opportunities for a more culturally and ethnically diverse global collaboration for missions involving Lutherans from around the world. They worked a previous 20 years in Nigeria and Guatemala and grew to appreciate the untapped missionary potential of the multi-ethnic, culturally-varied global body of Christ's disciples. From operating out of a base in the US the past 3 years, Dale and Cheri will relocate back to Africa to focus on GLO missionaries and opportunities from and to that continent.

Please Pray for:

- **God's guidance** as GLO develops relationships and partnerships to facilitate mission service opportunities from everywhere to everywhere
- **Faithful supporters** who join the Talsmas and GLO in prayer, sharing talents and treasure to extend the Gospel, with anticipation of a relocation to Africa.

Yes! I would like to be a supporting partner in God's mission with the Talsmas and the GLO network!
